

## About Us

Dr. Eddie O'Neal  
Owner / Chiropractor

Dr. Eddie O'Neal is a 2003 graduate of Parker Chiropractic College in Dallas, Texas. A Louisiana native, Dr. O'Neal worked as a Licensed Massage Therapist in the Shreveport / Bossier area prior to attending Chiropractic College. He was also an instructor at Blue Cliff School of Therapeutic Massage. Dr. O'Neal is skilled in many adjusting techniques including the activator method and often performs extremity adjustments. His goal is to educate his patients in total body wellness through gentle chiropractic care and a healthy lifestyle including exercise and good nutrition.

Samuel Steadman II  
Massage Therapist

Samuel is the newest addition to Dr. O'Neal's staff. He graduated from Career Technical College in Shreveport in October 2008 with a degree in Massage Therapy, and obtained his national certification shortly after. Samuel assists Dr. O'Neal with patient care and therapy as a Chiropractic Assistant. Samuel's philosophy is, "Be good to yourself so that you may give your best to those who need you the most."

Amee Barrington  
Bossier Office Manager

Amee is a graduate of LSUS, and is currently working toward a graduate degree in Human Resources. She occupies our Bossier facility as Office Manager, where she is in charge of billing, both insurance and individuals. She will be glad to assist with all of your insurance needs or questions.

Sharon O'Neal  
Office Coordinator/Patient Liaison

Sharon O'Neal has returned to the staff as Office Coordinator/Patient Liaison. She will be happy to answer any questions regarding your care in this office, as well as scheduling appointments.
